RI CORPORATE FIT CHALLENGE

Healthy Lifestyles | Team Bonding | Family Friendly

Let's Make RI the Fittest State!

Year-long Fitness Goals

Foster a year-long corporate wellness initiative with not just one goal race, but a series of events throughout the year. This provides opportunities to gear up to an over-reaching goal or to allow new partners to join up along the way.

Family Friendly

Rhode Races offer a variety of distances so new runners can complete their first 5k or experienced runners can move up in distance. Some events offer Kids Fun Runs and age appropriate running programs.

Team Bonding

Running together provides ways for employees to bond and develop relationships through time spent outside the office, working towards a common goal. Share the magic of achieving goals with new friends and family, promote team camaraderie, increased branding and a sense of goodwill.

RI is garnering some impressive awards. The Ocean State has always been a destination for its natural beauty and stunning coastal views, but recently has been named a food and cultural hotbed as well. But let's add to that impressive list - let's strive to make RI a Healthy City Destination.

Encourage Corporate Wellness

It has been well documented that healthy employees encourage a happy work environment, lower company costs and provide team building with outside activities. Running is an inexpensive and easy form of participation that can be practiced anywhere.

Challenge your corporate partners - who has the Fittest employees!

Challenge your business partners in a head to head challenge and compete for two different prizes:

- Most Fit Company
- Most Philanthropic Company

The Most Fit Company will be awarded to those with the highest participation - which includes family and friends on the Company's Team Roster.

The Most Philanthropic Company will be awarded to those that raise the most money by November 1st.

Join us as we foster health and wellness in our local communities, raise money for causes near to our hearts and promote our local business economy.

Learn more at info@rhoderaces.us or call 401.427.7768

Participation is easy and free!

We can work directly with your HR department to discuss your team's goals and objectives - Do you wish to focus on raising money for your company charity or build the participation levels of your team members. Do you want to sponsor your company team or provide incentives to join?

Company Payment Options

A) Pay for the registrations for your runners and become a Rhode Races Corporate Race Sponsor.

B) Pay some of the registration cost for your runners and become a Rhode Races Corporate Partner.

C) Create a team, but require runners to pay their own registration fee.

We offer discounts based on team size as well as free entries for charity purposes.

We will work with each company individually to tailor a package for your needs and and help nurture your running team. Please reach out to learn more.

Additionally, we can promote your local runners, their stories, charities and the reasons they are running in our Faces of the Rhode Races
