

The Wine Run at Westport Rivers Vineyard

ATHLETE GUIDE

Message from the Race Directors

Welcome back to the 10th annual Wine Run - we are excited to be back at stunning Westport Rivers Vineyards. This race continues to be our favorite race - a trail run through the beautiful vines and fields followed by music, BBQ and wine right at the Vineyard. A perfect day.

In 1982 Bob and Carol Russell sought to re-enter the wine-growing business that Carol's father, Herbert Grifenhagen, and grandfather, Max Grifenhagen, loved so dearly. The Russell couple dreamed of returning to the family's tradition of raising grapes and making champagne. In 1982, after searching the globe for the perfect place to farm flavorful sparkling wine, they chose Westport, MA. Their bold vision and daring tactic was proven to be revolutionary.

Several years later, the vines arrived and oldest son Rob came aboard to plant and manage the vineyard. Rob and his crew planted the first vines in 1986. Since then, our vineyard has grown to 80 acres, the largest vineyard in New England.

THIS IS A TRAIL RUN. You will encounter a variety of terrain - sand, rocks, holes and divots - much like a cross country course. Please be **CAUTIOUS** when you are running.

Post Race Festivities

Your bib has a tear off that will serve as your dinner ticket. Please do not tear this off in advance of receiving your dinner. Every participant will receive a souvenir wine glass at the finish and a free wine tasting. After this point, a cash bar will be available. We will be awarding the Top Finisher in each Age Category with a bottle of wine during our Awards Ceremony.
